

# Push Connectors

BRIGADE™ Push Connect™ plumbing fittings eliminate the mess and extra work of having to use glues or solder to connect copper, PEX tubing, and CPVC. Removable and re-usable, they install in seconds with a single push. Each BRIGADE™ Push Connect™ fitting has been tested to ASSE 1061/NSF61 standards and are listed by IAPMO meeting UPC, IPC and cUPC standards. Available in both standard and Ultra Low Lead (ULL) designs meeting AB1953 requirements.
